Cover in cloth

**MONTAGGIO COPERTURA CONNETTORI AMPLIFICATORE
COVER ASSEMBLY FOR AMPLIFIER CONNECTORS**

ATTENZIONE

Eseguire il montaggio della copertura per connettori un lato per volta per evitare la rimozione completa del pannello amplificatore
Proceed with assembly cover protection one side a time to prevent the complete remove of the amplifier panel.

1

Rimuovere le viti indicate dal modulo amplificatore
Remove screws shown on the amplifier module

2

Posizionare il telaio a filo con la parte superiore del modulo amplificatore e il box in plastica, come mostrato in figura.
Put the frame on edge with upper part of module amplifier and plastic box, as shown in picture.

ATTENZIONE

Il telaio deve essere posizionato in appoggio sul modulo amplificatore.

ATTENTION

The frame have to be put in support to module amplifier.

3

Infilare la copertura di tela tra il telaio e il modulo amplificatore, tenere la tela a filo con il bordo interno del telaio.

Put the cloth cover between the frame and module amplifier, keep cloth within frame edge.

Bloccare il telaio e la tela con una delle viti rimosse in precedenza al punto 1. Avere cura di non stringerla completamente.

Block the cloth and the frame with one of screws removed before at point 1. Take care to do not tight the screw fully.

4

Piegare la copertura avendo cura di lasciare la parte superiore sotto il telaio.

Please take care to bend the cover with the upper part under the frame.

5

Sollevare leggermente i laterali del telaio e posizionarli sotto le alette laterali della copertura di tela.
Slightly raise the side of the frame and put the side flaps under them.

6

Bloccare i lati della copertura di tela tra il telaio e il modulo amplificatore tenendo la tela a filo con il bordo interno del telaio.
Fix the sides of the cloth cover between the frame and module amplifier by keeping cloth within the edge.

7

Fissare con le restanti viti la copertura, il telaio e il modulo amplificatore. Stringere tutte le viti.
Fix with the remained screws's equipment the cover, the frame and the module amplifier. Tighten all screws.

ATTENZIONE

I fori presenti sul telaio devono essere allineati con i fori sul pannello.

ATTENTION

The holes present on the frame have to be aligned with the amplifier panel holes.

8

Chiudere la copertura e bloccarla per verificare il montaggio corretto.
Close the cover and block to verify the correct fixing.

Ripetere la medesima procedura per la parte destra del modulo amplificatore.
Repeat the same procedure for the right side of the amplifier module.
